**RE: *Thomas & Betts Corporation v. Trinity Meyer Utility Structures, LLC et al*, No. 19-cv-07829-PAE**

Dear Judge Engelmayer,

The parties in the above-referenced case, through their undersigned counsel, respectfully submit this joint letter motion in connection with Arcosa, Inc.'s ("Arcosa") Motion to Dismiss Thomas & Betts Corporation's ("T&B's") Amended Complaint. Arcosa filed its motion on November 11, 2021, and T&B's response in opposition is currently due on January 24, 2022.

The parties have agreed to settle this matter and are drafting an agreement to that effect. To provide them time to finalize and sign that settlement agreement, the parties respectfully request that the court stay this matter and hold the case in abeyance. Once that agreement is finalized, the parties will promptly file a stipulation to dismiss this action. If for some reason the settlement agreement is not signed, the parties will file a revised briefing schedule with this Court.

The parties thank the Court for its consideration of this joint request.

Respectfully Submitted,

KING & SPALDING LLP
